### Background

The Ohio Articulation and Transfer Network (OATN) sent a request to the Studio/Fine Arts Transfer Assurance Guide (TAG) faculty review panel lead and members to determine if revisions were needed for the following courses:

- **OAH001- Basic Drawing**
- **OAH058- 2-D Foundation**
- **OAH059- 3-D Foundation**

### Studio/Fine Arts Electives

- **OAH002- Digital Photography**

- **OAH048- Paint (Oil/Acrylic)**
- **OAH049- Printmaking**

With the Studio/Fine Arts TAG courses scheduled for learning outcome review, upon examination of current course learning outcomes it was recommended by the TAG review panel that several minor updates were required for three of the ten courses.

Courses approved for OAHO11 Non-Darkroom Photography will expire with the removal of the TAG course. The updated learning outcomes will be used for any new submissions beginning with the Spring 2023 TAG review cycle.
